Ph: (305) 323-2992

OBJECTIVE: To obtain the position of part time or full time entry-level graphic designer, focusing on motion graphics.

PREVIOUS WORK EXPERIENCE:

Carlos Molina, New York

Design Assistant / Jan 2009 – Oct 2009

- Maintained and revised different versions of designs and animations by Carlos Molina
- Arranged and edited text and added it to compositions from various sources.
- Illustrated and animated various sections of projects under the supervision of Carlos Molina
- Animated Maya sequences, created textures and combined existing projects.
- Designed a project from start to finish, including animation, illustration and finally bringing everything together for presentation.

Freelance Graphic Design, Maryland

Graphic Designer / Jan 2005 – Dec 2008

- Designed in a variety of media and prepared entire packages for bands in the area. The material included CD sleeve design, posters, stickers and websites.
- Created my personal "artist" website to show the paintings and drawings that I had been producing for the two years.

Nu America Agency, New York

Illustrator / Jan 2002 – Sep 2002

- Participated in the creation of a CD cover for a rap act.
- Created original fonts for the text in the CD and name of the band.

Caracol TV, Colombia

Design Internship / Apr 2001 – Aug 2001

- Illustrated storyboards for a commercial spot
- Illustrated a layout for a kids show announcement, to be later animated in After Effects.
- Became proficient in Photoshop and Illustrator as well as After Effects, at this point I also had my first experience with Maya and 3d Animation.
- Cooperated with the design team and learned to work in a team effort.

EDUCATION

1995-1996 **Graphic Design** - Part-time studies, Broward Community College, FL (did not finish)
